Neighborhood or town

Date

Number of answers

Tally how many residents ticked each box. Percent agree = (number of 4s + number of 5s) divided by the total, times 100.

STATEMENT	1	2	3	4	5	TOTAL	% AGREE
1. People here can find a home they can afford.							
2. People here can find work that pays enough to live on.							
3. I can see a doctor or nurse when I need one.							
4. Help for mental health or addiction is easy to find here.							
5. I can get to work, shops and appointments easily.							
6. Families here can find childcare they can afford.							
7. I feel safe walking in my neighborhood after dark.							
8. Healthy food I can afford is easy to buy near me.							
9. I know where to go for help with rent, food or bills.							

Which of these are the biggest problems where you live

HOUSING COSTS	JOBS AND PAY	HEALTH CARE	MENTAL HEALTH	GETTING AROUND	CHILDCARE	SAFETY	FOOD COSTS	NONE OF THESE

Strengths

The two statements with the highest percent agree.

Needs to act on first

The two statements with the lowest percent agree.

What the open answers say

Sort the comments into three or four themes.

You said, we will

What residents told us, and what happens next.
