Number of answers _____

Tally how many team members ticked each box. Percent agree = (number of 4s + number of 5s) divided by the total, times 100.

STATEMENT	1	2	3	4	5	TOTAL	% AGREE
1. Overall, I am satisfied with how this team works.							
2. Every sprint has a goal the whole team could explain.							
3. Work is split into small pieces before we commit to it.							
4. We get finished work in front of users often enough to learn from it.							
5. I know who uses what we build and what they need from it.							
6. The team decides how to do its own work.							
7. I can admit a mistake to this team without worrying about it.							
8. Improvements we agree on in retrospectives get done.							
9. Managers outside the team clear obstacles we cannot clear ourselves.							
10. I rarely have to work late to finish what the team committed to.
