

Job application survey results

Job applied for _____

Date _____

Number of answers _____

Tally how many applicants ticked each box. Percent agree = (number of 4s + number of 5s) divided by the total, times 100.

STATEMENT	1	2	3	4	5	TOTAL	% AGREE
1. The job ad made the pay, hours and location clear.							
2. I could picture a normal day in this job from the ad.							
3. The form said up front how long it would take.							
4. Every question on the application related to this job.							
5. The application worked well on the device I used.							
6. I had a fair chance to show why I suit this job.							
7. I know when I will hear back about my application.							
8. Overall, applying for this job was easy.
