

Program evaluation results

Program name _____

Date _____

Number of answers _____

Tally how many participants ticked each box. Percent positive = (number of 4s + number of 5s) divided by the total, times 100.

STATEMENT	1	2	3	4	5	TOTAL	% POSITIVE
1. The program delivered what it promised when I signed up.							
2. What I learned is useful in my work or daily life.							
3. The program was well organised from start to finish.							
4. The facilitators explained things clearly.							
5. I had enough chances to practise or ask questions.							
6. I feel able to use what I learned without help.							
7. I plan to use something from the program in the next month.							
8. The time I gave to this program was worth it.							

How much of the program did you attend

ALL OF IT	MOST OF IT	ABOUT HALF	UNDER HALF

Strengths

The two statements with the highest percent positive.

What to change before the next group

The two statements with the lowest percent positive.

What the open answers say

Sort the comments into three or four themes.

You said, we will

What participants told you, and the change the next group will see.
