

Business owner survey results

Street or district

Date

Number of answers

Tally how many owners ticked each box. Percent agree = (number of 4s + number of 5s) divided by the total, times 100.

STATEMENT	1	2	3	4	5	TOTAL	% AGREE
1. We could cover three months of costs from cash.							
2. I can get finance when I need it, at a cost I can manage.							
3. Permits and local rules are simple to deal with here.							
4. I know where to go for advice when a problem comes up.							
5. This is a good place to run a business like mine.							

Which money problems did the business face in the past 12 months

RIISING COSTS	RUNNING COSTS	CASH FLOW	WEAK SALES	TARIFFS	DEBT	CREDIT	NONE

Strengths

The two statements with the highest percent agree.

Where to help first

The two statements with the lowest percent agree.

What the open answers say

Sort the comments into three or four themes.

You said, we will

What owners told us, and what we will do about it.
