

Student health results

Grade or class _____

Date _____

Number of answers _____

Tally how many students ticked each box. Percent agree = (number of 4s + number of 5s) divided by the total, times 100.

STATEMENT	1	2	3	4	5	TOTAL	% AGREE
1. I have enough energy to get through the school day.							
2. I can usually cope with the pressure of schoolwork.							
3. There is an adult at school I could talk to if something was wrong.							
4. I know where to get health help at school, like the nurse or a counselor.							
5. I have friends at school I can count on.							

How would you describe your health right now

EXCELLENT	VERY GOOD	GOOD	FAIR	POOR

Strengths

The two statements with the highest percent agree.

Health goals for this term

The two statements with the lowest percent agree.

What the open answers say

Sort the comments into three or four themes.

You said, we will

What students told us, and the first change the school will make.
